

10 Reasons to ADOPT A BLACK CAT

- They are the LEAST likely to be adopted
- Love knows no color
- Black cats are like onyx, a beautiful gem
- They don't care what color you are!
- Every woman should have a little black dress and a little black cat
- When you love a black cat, luck is on your side
- Black cats will match any decor
- Holding a black cat is very slimming
- A lint brush isn't required for a black-tie affair
- They look like little panthers

Do you wear a lot of black clothing or own a lot of dark furniture? Adopt a black cat; their shedding fur will be less noticeable than the fur of a lighter cat!

Because of superstition and prejudice, or even because they blend into the shadows of their cages, **BLACK CATS AND KITTENS** are most likely to be passed over for adoption.

New research is being conducted to determine if black cats are more resistant to disease than other colors.
